

Centaur Club

WE INVITE YOU TO JOIN OUR EXCLUSIVE CENTAUR CLUB

The Centaur Club is a special membership offered to Bowood Members and selected local business people for a limited period only. As a member you will be entitled to the following exclusive benefits and privileges, which are not normally available to other hotel guests.

As a Centaur Club member you will receive your own personalised membership card, which will entitle you to dine on a complimentary basis as often as you like throughout the year. Each time you dine in The Shelburne Restaurant or The Clubhouse Brasserie for lunch and dinner, one person will dine free. We only ask that you dine with at least one other guest and that only one card is used per table. (A minimum spend of £20 is required when dining in the Clubhouse.) We will also send you in your membership pack one voucher for a complimentary bottle of house wine in each restaurant when dining in a party of 4 or more.

Included in your membership, you also receive the following privileges:

- One voucher for a complimentary overnight stay for two people here at Bowood, any night Sunday to Thursday.
- Two vouchers for £100 off the hiring of the Queenwood Lodge and a further voucher for a complimentary night in the lodge for up to 8 people when a wedding or 24 hour conference is booked and taken.
- Four separate vouchers for a trial visit to Bowood Spa each valid for two people.
- Four vouchers for the complimentary use of the Fitzmaurice meeting room. (Excludes Food & Beverage).
- One voucher for a complimentary round of golf for four people on the Bowood Course.
- One voucher for a complimentary Afternoon Tea when taken in a party of four.
- And finally: Two vouchers, one that entitles two adults and two children to a complimentary family visit to the Bowood House & Gardens and the other for a complimentary visit to Bowood's Rhododendron Walks – at their best from April to early June – again, for two adults and two children.

There are many other privileges & benefits included in your membership which we have not listed here.

The Centaur Club membership is valid until 30th June 2010 and the cost is only £195 including VAT. The membership pays for itself if you simply use the voucher for the round of golf, and that's before you've taken advantage of the dining privileges! All the vouchers are fully transferable so any of your friends, family, clients and work colleagues can enjoy your privileges too.

To reserve your membership or to find out more ring the membership office on 0845 313 3480. The office is open from 9.00am to 5.00pm Monday to Friday. Please call early to avoid disappointment, as only a limited number of memberships are available.
